TERMS and CONDITIONS OF WEST KENTUCKY HORSE SALES, INC.

KENTUCKY SALES TAX

The 6% Kentucky sales tax applies and will be charged on ALL sales unless you meet and fulfill an exemption. If buying for RESALE, a number alone is not sufficient — you MUST provide the cashier with a photocopy of your resale or vendor's tax permit issued you in your state. If your state does not require you to hold a permit for the sale of horses, you must sign a statement as to such for resale. Any other exemption must be fulfilled and signed. If the exemption is not accepted for any reason the buyer will pay all sales tax owed to sales company.

1. Terms of the sale are cash and payment in full must be made to the cashier immediately after the sale. A check is acceptable from properly identified individuals, however, all papers will be retained until such check clears the bank. Pay the cashier in all cases! In no case shall any part of the purchase money be paid by buyer to consignor as such payment will not be regarded as valid or entitle buyer to delivery of the horse. On final payment for a horse, the cashier will issue an order which must be presented by buyer to the barn manager for delivery of the animal. Buyers are cautioned not to lose these orders. All horses must pass through the auction ring.

2. The consignor shall be responsible for all transfer fees. All transfers will be filled out in their entirety according to the rules and regulations of the horse associations. All membership fees are the responsibility of the buyer. All registration papers will be withheld 21 days by the sale management until all checks clear the bank. At such time, the registration papers and transfer certificates will be mailed to the breed association for transfer. **ALL CASH PURCHASES WILL BE GIVEN THE REGISTRATION PAPERS THE DAY OF THE SALE.**

3. The highest bidder is to be the buyer. If any dispute arises between two or more bidders, the horse in dispute shall immediately be put up again for advance bids. If there be no advance, then the horse shall go to the person from whom the auctioneer recognized the last bid. The auctioneer reserves the right to reject any and all bids. The right to bid is reserved for all sellers unless otherwise announced.

4. Unless otherwise announced at the time of sale by the owner or the auctioneer, **there is no guarantee or warranty of any kind as to the soundness or condition of any animal.** Buyer has the right to have veterinary examination before a horse leaves the sale premises at his expense. **Once a horse has been removed from the sale grounds, no recourse is available.**

SPECIAL WARRANTIES — All cribbers, bleeders, weavers, horses that have been nerved or have navicular disease, horses that have been foundered, or crypt orchids **MUST BE ANNOUNCED.**

Broodmares will be guaranteed only to have been bred to stallions as indicated. **No guarantee is made of pregnancy status or eventual foaling unless made specifically by consignor.** No return privileges or live foal guarantees accompany mares unless stated by consignor. Buyers should have broodmares examined before they leave the grounds.

EXAMINE HORSES PRIOR TO PURCHASING.

THERE IS NO IMPLIED WARRANTY MADE BY AUCTIONEER, SALES MANAGEMENT, OR CONSIGNOR AS TO THE MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE OF ANY ANIMAL OFFERED FOR SALE IN THIS AUCTION.

5. Horses shall belong to the buyer when they leave the ring. The consignor shall be obligated to return the entry to the proper stall and to contact the buyer. All horses must be removed from the sale grounds immediately following the sale. If any person shall purchase a horse and fail to pay for it, nothing contained herein shall prevent the Sales Management from compelling such person to pay for it. Further, the purchaser in default shall be liable for a **delinquency or late charge** at the rate of one and one-half percent (1½%) per month on the unpaid purchase price from the date of sale until paid (effective annual interest rate of eighteen percent [18%]). All expenses of collecting (including attorney fees, etc.) arising from the buyer default will be paid by the buyer.

6. Buyers and spectators are cautioned to be careful while on the sale grounds and while the horses are being sold in the ring. The Sales Management or any of its employees or representatives or Western Kentucky University shall not be held responsible for any accident that may occur to spectators, buyers, horses, equipment, or for loss by fire, theft, or injury in any way or any manner.

7. The Sales Management acts as agents only and will endeavor to protect the interests of both buyer and seller.

8. The Sales Management or Auctioneer is authorized to decline any bid by intoxicated or disorderly parties, or by those who defaulted on former purchases,

Own daughter of Bugged With Honor, out of a Letta Hank Do It mare. Appendix bred, fully indicated on pedigree. Very broke, currently cruising in the 3D. Had 2 mos. reining training and 4 mos. professional barrel training with Marne Lossenort (just got her back). Needs an experienced rider that can stay consistent and correct while taking her to the next level. A beautifully built mare with an awesome pedigree, huge motor and great disposition . . . unless you are another mare or a farrier. Something has happened to her during a shoe job when we weren't home that has her terrified of farriers. You must stay very patient with her; she has gotten better. Has a scar on front right from a fence before we got her and a scar on back left from another fence since we've owned her. Vet has examined and cleared both and they have never bothered her once. Other than that she has no problems. 100% sound and should make someone a great barrel horse.

Really flashy 15.1 hands., 1,200 lbs. Lot of go about him, has been roped off of on both head and heel. Bought as a weanling, raised and worked by Haythorn Land & Cattle Co., Arthur, Neb. We bought him last fall at their 2010 production sale. He was demonstrated prior to sale working cattle, roping head and heel. Haythorn's never registered him with AQHA. However, he can be for \$300.00. Sire is Id Like Jack; grandsire is Two Eyed Jack. Dam is also Two Eye Jack breeding, and Hancock. Since we have had him, we've worked cattle and trail ridden him.

Son of Bay Badger Tivio, AQHA Ch. Ranch Versatility horse. Just two and not yet broke; purchase him and break your way. Very athletic, needs a job. Owner not interested in putting training into him and he is a stallion and needs to be broke by a professional was our advice. When we said he can't be out 24/7 on pasture as he is a 2YO stallion, owner no longer wanted to pay the bills for stall board, gelding, or training – time to move on. That is the story, one man's problem is another man's future champion.

A head turner. Very flashy. Used as broodmare most of her life but is trained to ride and was ridden quite a bit a few years ago as a trail horse. Ridden alone at home, on several trail rides and overnight camp outs with large groups of horses, and a few local fun shows. Sells exposed to a black homozygous tobiano stallion, Ben's Lover Boy, for April 2012 foal. Very good mother. Be sure to visit her at the sale.
